

Ceiling lamp

LUGANO – 621914011

incl. 1x SMD, 42W · 1x 4900lm, 3000 - 5000K

- Remote control
- Integrated dimmer
- Light color infinitely variable
- Night light
- Ceiling mounting
- Not suitable for external dimmer
- Memory function
- IP20

The LUGANO ceiling light impresses with its combination of elegance and cosiness. The luminaire with a simple fabric shade has a diameter of 60 cm, making it a real eye-catcher in living rooms, bedrooms or entrance areas. Textile lights create an atmospheric ambience and cosiness and are considered a classic in decorative lighting. The light is gently emitted into the surroundings via the fabric shade and creates a cosy character. The ceiling light can be dimmed by remote control and the light colour can be continuously adjusted between 3000 and 5000 Kelvin for individual adjustment to different lighting conditions. In plain grey, the LUGANO is deliberately kept simple and blends easily into existing colour schemes. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Fabric · Grey

Product dimensions

Height: 10cm
Diameter: 60cm
Weight: 3kg

Technical data

Light source: SMD – LED (integrated)
Watt: 42W
Lumen: 1x 4900lm
Kelvin: 3000 - 5000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 20000x ON/OFF
