

Wall lamp

MATTIMO – 283270106

incl. 1x SMD, 4,3W · 1x 450lm, 3000K

- **Switch**
- **IP44**
- **Not dimmable**

The simple MATTIMO wall light blends beautifully into the desired area of application. Thanks to its IP44 protection rating, the light is protected against splashing water and can be used in damp rooms such as the bathroom without any problems. The elongated design is ideal next to or above the mirror in the wash area and provides stylish accents. In addition, the luminaire emits a soft and harmonious light over a width of 40.5 cm, which is evenly distributed in the application area and provides sufficient light. The light can be switched on and off as usual using the wall switch or via an integrated switch on the light. The combination of chrome and white plastic blends harmoniously into the overall picture. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Metal - Chrome

Product dimensions

Width: 40,4cm

Height: 5,5cm

Weight: 0,4kg

Technical data

Light source: SMD – LED (integrated)

Watt: 4,3W

Lumen: 1x 450lm

Kelvin: 3000K

Color rendering (CRI): > 80 CRI

Lifetime: 30000H

Switching cycles: 20000x ON/OFF

operating voltage: 230V ~ 50Hz

Protection grade: 2

IP classification: IP44
