

Ceiling lamp

## RUBIN – R62021105

incl. 1x SMD LED, 19W · 1x 2100lm, 3000K

- Remote control
- Integrated dimmer
- Night light
- Ceiling mounting
- Wallmounting
- Not suitable for external dimmer
- RGBW Colorchanging
- IP20

RUBIN definitely brings colour into play. With the integrated RGBW colour changer, a wide range of colours can be selected using a remote control. The ceiling light also has a night light function and the brightness can be infinitely dimmed so that it can be individually adjusted depending on the lighting conditions. The unusual design with crystal cover also creates an effective eye-catcher in your living room. The modern ceiling light has a height of 18 cm and a diameter of 45 cm. The chrome colour scheme and the crystal cover create a stylish contrast to the light colours and round off the overall picture perfectly. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Metal · Brushed aluminium  
Plastic · Transparent clear

### Product dimensions

Width: 45cm  
Height: 18cm  
Depth: 38cm  
Weight: 1,2kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 19W  
Lumen: 1x 2100lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 25000H  
Switching cycles: 15000x ON/OFF
