Simple and absolutely stylish! Whether a simple, straightforward furnishing style or something more playful - the lights in the PURE range provide simple decorative accents to add a touch of elegance to any look. The simple style is incredibly contemporary and can also be combined with striking elements. The pendant has a diameter of 40 cm and is perfect for emphasising your own living style and illuminating the dining table. The purist, minimalist design of PURE is a mix of a sophisticated metal look in matt brass and white opal glass. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.
