excl. 3x E27 · max. 28W

- **Ceiling mounting**
- **IP20**
- **Lamp(s) not included**
- **Adjustable in height**

The modern ROBIN pendant light is a special eye-catcher thanks to its elegant glass shade. Above the living room table or in the centre above the dining table, the light is shown to its best advantage in any living area. The 3-flame pendant light has a maximum length of 150 cm and a diameter of 37 cm. Thanks to the matt black colour scheme with the smoke-coloured glass, the light can be combined with many furnishing styles. The use of LED light sources is recommended for energy-saving lighting. These are an ideal alternative to conventional halogen light sources and offer high light quality and energy savings of up to 80%. With LED light sources, you also benefit from a long service life and low heat generation while protecting the environment.

Material construction

Metal · Black mat
Glass · Smoke
