The POMP pendant light attracts everyone's attention and becomes a fascinating focal point in the living and dining room with its abundance of glitz and glamour. This extravagant luminaire consists of glittering plastic pendants that refract the light in an impressive way, casting captivating shadows. The remote control supplied allows you to conveniently adjust not only the light colour but also the brightness from a distance. The design of the pendant light is characterised by chrome-coloured metal, while the transparent acrylic stones lend a glamorous style that sparkles radiantly in the light. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
