incl. 1x LED LED, 6W · 1x 850lm, 3000K

Features:

- Externally dimmable
- IP20
- Wall- and ceiling mounting

The track light is a lighting variant for the DUOLine track system. The 2-phase system is extremely flexible and offers numerous options for customised lighting design. The luminaire can be dimmed externally so that a cosy ambience or a working atmosphere can be created at any time. The track light can be selected to match the colours of the track and blends seamlessly into the look of the system. The system in matt black creates structure and stylishly enhances modern living spaces. In addition, the luminaires feature modern LED technology, which stands for a high quality of light. LED light sources are characterized by a long service life and low heat generation.
