

Spot

DUOLINE – 78330179

excl. 1x E14 · max. 25W

Features:

- IP20
- Lamp(s) not included
- Wall- and ceiling mounting

The TOMMY Spot is a lighting variant for the DUOLine track system. The 2-phase system is extremely flexible and offers numerous options for customised lighting design. The TOMMY Spot provides cosy light, as textile shades increase the comfort factor and create a pleasant ambience. At the same time, the clear shapes stand for a modern and simple style that can be used and combined in a variety of ways. The design in gold and black creates a modern look and sets decorative accents. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
