Inviting and effective - outdoor lights set atmospheric lighting accents around the house. The decorative BOLO garden ground light has a five metre supply cable and is supplied with a ground spike so that you can easily fix it in your garden. The globe light has a diameter of 30 cm and is extremely weather-resistant thanks to its IP44 rating. The light conjures up a harmonious atmosphere in your outdoor area or brings it safely to the house or garage as a path light. The BOLO garden light comes with a white plastic globe and a black ground spike. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
