

Spot

DUOLINE – 78240132

excl. 1x GU10 · max. 25W

Features:

- IP20
- Lamp(s) not included
- Wall- and ceiling mounting

The MARLEY Spot is a lighting variant for the DUOLine track system. The 2-phase system is extremely flexible and offers numerous options for customised lighting design. The purist design of the spotlight adapts perfectly to any furnishing style. It can be individually aligned and is therefore ideal for emphasising certain areas, accessories or furniture. The simple colour design in matt black makes it easy to integrate into existing colour concepts. For modern and reliable lighting, the use of an LED bulb is recommended. It offers a high quality of light, is versatile and convinces with uniform illumination. Its long service life and low heat generation make it the ideal choice for a wide range of applications.
